INSURANCE INSPECTION SERVICES

Most insurance companies stipulate that vacant properties are inspected on a periodic basis. Failure to meet their exact requirements can render the policy void. Here at NG we can tailor a suitable inspections package in accordance with your building insurance.

What we can do for you

- Provide regular on-site property inspections
- Take meter readings
- Limit signs of damage
- Maintenance and repair jobs
- Report and update after every inspection
- Maintain records of inspections

If you feel that this service could be suitable to your needs or if you have any other property management related issues, then please do not hesitate to contact one of the members of the management team on **0115 958 8599**.
